

RIPPLE CREATORS PROGRAM

YOUTH PROGRAMMING

- MIDDLE SCHOOL
- HIGH SCHOOL

MUSIC PRODUCTION | VOCAL RECORDING | CREATIVE WRITING
CAREER EXPLORATION | SOCIAL/EMOTIONAL LEARNING

ABOUT OUR PROGRAM

Welcome to the Ripple Creators Program (RCP), a core part of Ripple Hub's creative community. RCP is a hands-on program designed to help middle and high school students explore their creativity while learning real-world skills in music production, songwriting, audio engineering, videography, and photography. Guided by professional artists and mentors, students gain confidence, collaborate with peers, and discover creative pathways that connect passion to future opportunities.

OUR MISSION?

To build supportive creative spaces that empower young people to discover their potential, connect with resources, and turn creativity into possibility.

RCP BUILDING BLOCKS

The Ripple Creators Program combines creative learning with real-world career exploration. Students gain hands-on experience in professional settings like recording studios and live event production spaces, as well as through college visits, helping them see what creative careers and educational pathways can look like beyond the classroom. By partnering with businesses, colleges, and community organizations, RCP connects students to mentors, internships, and future opportunities in the creative industry.

- **CAREER EXPLORATION**
- **SELF EXPRESSION**
- **COMMUNITY**

A CREATOR'S JOURNEY

8 WEEK CREATIVE JOURNEY

EVERY. SESSION. COUNTS.
